SURNAME ROSTER No. 14.

SUMMER, 1993

Here is your Special Edition of our Bulletin Board, listing the names given to us of persons our membership have found in their researching.

At the end of each name is the KEY. On the last page following the list, is the list of members and each code for them.

If you wish to contact the member who is researching a surname in which you are interested, just drop a note to our P. O. Box 644, Taunton, MA 02780-0644, giving us the surname and member to whom you wish to write. We will put you in contact with each other as soon as possible.

Should you wish to add more names to your list for a later Surname Roster, we would welcome hearing from you.

CODES: 1900- Date of birth; -1985 Date of death. The hyphen will tell you which date is given. Only places of birth are listed. If the state is in this country, the United States Postal two initials are used. If the place was in the Azores and names of the Islands are given, only the Island name is listed; i.e. Santa Maria, Sao Miguel, Terceira, Graciosa, Sao Jorge, Pico, Faial, Flores or Corvo.

These are being used to limit time and space.

HAPPY HUNTING!

workshop

Our Annual Workshop has been scheduled for Saturday, October 29, 1994, in the Auditorium of the Taunton Public Library, 12 Pleasant Street, Taunton, Massachusetts at 1:00 p.m.

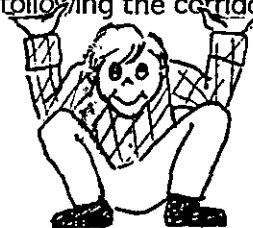

We will be explaining the Pedigree Chart, Family Group Chart and Fan Chart and be available for any assistance or to answer questions.

Light refreshments will be available.

Following the WORKSHOP, we will be available on the usual Second Floor area where our Collections are housed.

The change in the meeting area is due to work having to be done with the rugs and for which no exact schedule has been available.

Access to the Auditorium can be from the side entrance of the Library, off the parking areas. From that door, to the left and following the corridor, one will find the Auditorium.

Coming Events

Mrs. Rose Marie Silva, of California, one of our Founders, will be in the Southeastern New England area the beginning of November.

On November 5, 1994, we plan to meet with her at the SEAPORT INN, Route 6, Fairhaven, MA, just over the bridge from New Bedford, MA.

A Social Hour at 12:30 a.m. with Luncheon at Noon has been scheduled. We can have Baked Scrod, Breast of Chicken or Prime Rib of Beef, complete with soup, salad, beverage and dessert for \$18.00.

Mrs. Silva, who has been so active with the International Joseph Diseases Foundation, will be a speaker at the Conference of the Portuguese-American Federation on the Sunday.

As long as she is in the area, what a perfect opportunity for us to also meet with this charming, dedicated lady. We can expect to hear from her how genealogy has played such an important role in her work.

Please may we have your reservations prior to November 1st.

NICHOLAS

His own Dad may call him
 His pride and his joy.
 His Mother can't imagine
 Life before her little boy.

Grandpa Joe says he's his buddy.
 Aunts and uncles think he's bright.
 The above kin feel so special
 And that is quite all right.

But nothing can compare
 (If you'll permit me to crow)
 To the way this old heart sings
 When he calls out "Vovo!"
